

Questions

- When do you find yourself living in a scarcity mindset?
When do you act more from an abundance mentality?

- How do you think your life would look in five years if you adopted gratitude, and embraced generosity today? And what if you didn't?

- We have a powerful example in the radical demonstration of generosity by Mary. But hers is just a shadow of the generosity of God. If you were to start being generous now, what could be your next step?
